2025 Prospectus Grade 8 - 12

Vision

We aspire to being the most trusted and respected institution by our clients, staff and the entire college community.

Mission

By ensuring we:

- Do the right things, the right way;
- Are brilliant in execution;
- Committed to production excellence.

Strategic Intent

To be the most preferred education and training provider that gives only quality in chosen fields of learning areas and making our college community proud.

Values

Professionalism

We are professionals in the education sector;

Integrity

We ought to remain understood as reliable, trusted, loved and respected by our clients and general community;

Accountability

Answerable to the college community, supporting jurisdiction, legislation and local communities on our mandate;

Transparency

Openness to stake holders on our operations and accessibility for more information by public;

Fairness

Acting reasonably, consistently and with care towards our clients and general public;

Responsibility

Our primary task is to give the youth of South Africa skills that will enable them to earn a better living. this must be done with respect to their various backgrounds.
