## Prospectus

## Grade 8 - 12

## Vision

We aspire to being the most respected institution by our clients, staff and the entire college community

## Mission

By ensuring we:

- Do the right things, the right way;
- Are brilliant in execution;
- Committed to production excellence

## Strategic Intent

We aspire to being the most respected institution by our clients, staff and the entire college community

## Values

**Professionalism** We are professionals in the education sector;

**Integrity** We ought to remain understood as reliable, trusted, loved and respected by our clients and general community;

**Accountability** Answering to the college community, supporting jurisdiction, legislation and local communities on our mandate;

**Transparency** Openness to stakeholders on our operations and accessibility for more information by public

**Fairness** Acting reasonably, consistently and with care towards our clients and general public;

**Responsibility** Our primary task is to give the youth of South Africa skills that will enable them to earn a better living. This must be done with respect to their various backgrounds.
